## **2021 Budget Message**

### **Introduction**

The Mansfield Heights Water and Sanitation District was formed in 1960 for the purpose of providing potable water and sanitary sewer service to the Mansfield Heights Subdivision, Arapahoe County, Colorado.

Water service is provided to District homeowners under a Total Service Distributors Contract with the Denver Water Department.

Sanitary sewer service is provided to homeowners directly by the Mansfield District. In addition to a normal and customary wastewater collection system, the District operates and maintains a sewer lift station. Wastewater treatment and disposal is provided by the Metropolitan Wastewater Reclamation District through an agreement with Hillcrest Water and Sanitation District. Also, Mansfield and Hillcrest have an agreement for the joint use and maintenance of an outfall attaching to the Metropolitan District System.

### **Basis of Accounting**

The basis of accounting utilized in preparation of the 2021 budget is the modified accrual system.

### **Budget Features**

The District uses a single fund into which all revenues are taken and expenditures made. Revenues to be collected in 2021 consist primarily of sewer service fees paid by individual homeowners. For tax year 2021, the District certified a zero mill levy - the District receives no property tax revenue.
